"Through Adoration the Christian contributes mysteriously to the radical transformation of the world and the germination of the Gospel. Every person who prays to the Lord brings the whole world along with him, raising the world to GOD. Thus those who remain before the Lord fulfill a great service; they present to Christ all those who do not know him or who are far from him; in their name they keep vigil before him". Quote: St. John Paul II on the 750th Anniversary of Corpus Christi."

CHURCH

God sends no churches from the skies,
Out of our hearts they must arise.

CCD News: As our year is quickly approaching, we are preparing for three very beautiful Sacraments. Confirmation is Thursday, April 26th at 7 pm. Rehearsal for Confirmation will be Tuesday, April 24th at 6:30 pm. Our children preparing for First Holy Communion will be receiving the Sacrament of Penance on Saturday, April 21st at 9:30 am. First Holy Communion will be Sunday, May 13th at 9 am. Practice for these children will be Saturday, May 12th at 9 am. All parishioners are welcome to attend the Sacraments.

DAILY MASS CHANGE– Due to the time that the school starts and daily morning mass starts, which is 8:00 AM, and because of the congestion of traffic and due to the safety of the children and parishioners alike, it has been deemed necessary to change the Mass time. A survey has been taken at the 8:00 AM mass and the people voted for the 8:30 AM by big majority. Therefore, morning Mass will be changed from Monday through Saturday to 8:30 AM Mass as of April 16th, 2018.

The Archdiocese of Miami has robustly participated in the United States Conference of Catholic Bishops' Charter for the Protection of Children and Young People since its inception over 15 years ago and has been in compliance every year. This can only happen with the dedication of pastors, principals, directors and coordinators of religious education, administration and staff in collaboration with parents and volunteers.

Tips for Protecting Children and the Vulnerable No one has the right to have access to children. No one, no matter who they are, has an automatic right to be around children or vulnerable adults who are in the care of the Church without proper screening and without following the rules. Volunteering is a privilege that comes with responsibilities. Common sense is not all that common. Dioceses, schools, parishes, and especially families must educate themselves and others on how to protect children. **Florida Abuse Hotline: 1-800-96-ABUSE (1-800-962-2873) Archdiocese of Miami Victim's Assistance Coordinator: 1-866-80-ABUSE (1-866-802-2873)**

Tercer Domingo de Pascua - Abril 15, 2018

Hoy Jesús es confundido por los discípulos con un fantasma, pero el Señor resucitado, compadecido de la humanidad ha querido traernos la Paz. Esta situación vivida por los discípulos nos enseña que la fe no es producto de razonamientos lógicos o deducciones; **la fe es un don de Dios** que es depositado en el corazón de las personas

sencillas.

Nuevo Proyecto: En un futuro muy cercano, comenzaremos proyecto de volver a techar la iglesia. Este proyecto requerirá la remoción de los dos techos existentes, el sistema de drenaje, la claraboya, la puerta de acceso al techo y la reinstalación del servicio eléctrico. El costo de este proyecto supera los \$ 130,00.00, siempre que no se descubran problemas imprevistos durante la remoción de los techos existentes.

La Arquidiócesis de Miami ha participado vigorosamente en la Carta para la Protección de Niños y Jóvenes de la Conferencia de Obispos Católicos de los Estados Unidos desde su creación hace más de 15 años y ha estado en cumplimiento con la misma cada año. Esto solo es posible gracias a la dedicación de párrocos, directores escolares, coordinadores de educación religiosa, administración y personal, en colaboración con padres y voluntarios.

Consejos para proteger a los niños y las personas vulnerables Nadie tiene derecho a tener acceso a los niños. Nadie, sin importar quiénes sean, tiene el derecho automático de estar cerca de niños o adultos vulnerables bajo el cuidado de la Iglesia sin pasar una evaluación adecuada y sin seguir las reglas. El voluntariado es un privilegio que viene con responsabilidades. El sentido común no es tan común. Las diócesis, escuelas, parroquias y especialmente las familias deben educarse a sí mismas y a los demás sobre cómo proteger a los niños. **Línea directa de Abuso de Florida: 1-800-96-ABUSE (1-800-962-2873) Coordinador de Asistencia a Víctimas, Arquidiócesis de Miami: 1-866-80-ABUSE (1-866-802-2873)**
